

Join CyMath

What is CyMath?

CyMath is a math support and enrichment program. We aim to help students who are struggling in math or who would like to accelerate beyond the normal curriculum. It is primarily designed for students from populations underrepresented in engineering, however, all students are welcome to join. Space is limited!

What does it entail?

- Individualized Math done in a fun environment!
- Work with ISU STEM grad students!
- Same mentor all year!
- Fun games and computer time!
- Engineering experiences at ISU!

Date: Saturdays

Time: 10:00-12:00pm

Place: Zoom 3x/month

ISU Campus 1x/month

Cost: Free!

Snacks provided when on campus!
